Unique Pieces. This is Cabinet de Curiosités by **Thomas Erber**: a creative experiment usable from November 22 to January 19 at Andreas Murkudis space in **Berlin**. Here you can buy and admire 52 unobtainable works: from Bonnet glasses, a jacket by maison Kitsuné, to H007 Goldfinger Bicycle by Heritage.

The Cabinet is a disobedient, bohemian, intimate and contemporary festival. Recommended for the categories: collectors, trend setter, **cool hunter** and people who love art. Carpe Diem.
